CONDITIONS OF SALE

- (1) This Sale is held under Bye-law 16 of the Suffolk Sheep Society's Sale (as printed in volume 123 of the Society's Flock Book). The Bye-law is hereby incorporated as a Condition of Sale.
- (2) Vendors and purchasers are deemed to agree to these Conditions of Sale, and these Conditions of Sale are terms of any contract of sale and purchase at the Sale.
- (3) These conditions shall be governed, construed and enforced in accordance with the law of England and the law of England shall apply to all contracts made at the Sale.

AUCTIONEER'S CONDITIONS

1. The Sheep will be exposed in lots according to the numbers in the following Catalogue. The Auctioneers reserve the right to refuse any bid without assigning any reason. The highest offer on each lot will be preferred to the purchase (subject to Article 3)
2. No liability whatever is undertaken by the Auctioneers for the statements appearing in the Catalogue or made at the Sale. The exposor who supplies such statements is alone responsible for any error or mis-statement. Animals affected with any disease of an infectious nature or animals out of an infected flock are strictly prohibited from being brought to the premises occupied or used by the Auctioneers at the time and should any such be brought, The Owner or Consignor will be held responsible for all damage or loss occasioned thereby.
3. The Exposers reserve the right to fix a reserve price and to announce same before the bidding begins or during the time of the bidding or at the conclusion thereof. The right to bid by or on behalf of the seller in terms of the Sale of Goods Act 1893, is expressly reserved.
4. Immediately after each purchase is declared, the risk of the animal shall be exclusively with the Buyer, and it is declared that until a settlement shall be made in terms of these Conditions the delivery of the animal shall be suspended. The right of the property shall not pass until the price is paid.
5. Immediately after the Sale all lots must be paid for in cash to the Auctioneers. The price being paid, each lot shall be taken away at the Buyer's expense within one day after the sale thereof. Lots shall only be removable from the Auctioneers' possession on a written order from their clerk, and any lot removed in contravention of this condition may be recovered *brevi manu* by the Auctioneers.
6. If any Buyer fails to pay for and remove his purchase in compliance with the above conditions, the Auctioneers in their opinion may either (a) sue the Buyer for the price and interest thereon at the current Bank Rate and for the keep of, and any other expense incurred by them in connection with such purchase, or (b) re-sell the Lot either publicly or privately and recover from the defaulting Buyer the deficiency (if any) attending such re-sale and interest thereon as aforesaid together with the keep and other expenses. In either case the Auctioneers shall have the right to sue at their own instance without the consent of the Owner or Consignor, and no defence whatever in such action shall be competent to the Buyer who shall have recourse against the owner or Consignor alone.
7. No undertaking of the Auctioneers or their servants to take charge of any animal after the sale or to forward it to its destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing conditions.

8. The Auctioneer is appointed Judge of the Sale, to whom are hereby submitted all disputes and differences of any kind which may arise at and in relation to the Auction, either between Exposers and Offerers or among Offerers themselves; his decision shall be final and binding on all parties.

DISPUTES

- 1 All disputes or differences of any kind which arise at or in relation to the auction, whether between a seller and a buyer or amongst bidders or otherwise shall be referred to the auctioneer and his decision shall be final and binding on all parties.
- 2 All other disputes shall be referred to an arbitrator who shall be appointed, failing agreement between the parties, by the Society and the decision of the arbitrator shall be final and binding on all parties to the dispute. Any arbitration under this clause shall be subject to the Arbitration Acts for the time being in force.

17.2 An animal shall be deemed incapable of natural and effective service if:

17.2.1 it fails to make at least one ewe pregnant during the Male Guarantee Period under natural breeding conditions; and

17.2.2 it is certified as being so incapable by a veterinary surgeon in accordance with clauses

17.4 and 17.5 below.

"Natural breeding conditions" means when a ram is run with ewes in normal breeding condition, cycling without artificial interference. Ewes which have been sponged and/or treated with hormones to induce or synchronise ovulation are deemed not to be in normal breeding condition.

17.3 The buyer shall throughout the Male Guarantee Period give the animal full and sufficient

opportunity to prove that he is capable of natural and effective service and maintain him in a fit condition.

17.4 If the buyer highlights that the ram or ram lamb has failed to prove capable of natural and

effective service by 56 days from sale date of the year of sale, the buyer shall then:

17.4.1 Notify the seller in writing that the animal is to be tested; and

17.4.2 Have the animal subjected to a semen test by the artificial vagina method by a veterinary surgeon attached to a breeding company authorised by the society; and

17.4.3 Obtain from the veterinary surgeon a duly completed Soundness for Breeding report; and

17.4.4 (If the veterinary surgeon certifies that the animal is incapable of natural and effective service) lodge a copy of the Report with the seller.

17.5 The seller shall be entitled to have a second test carried out by the same or a different veterinary surgeon attached to a breeding company authorised by the Society who shall issue a Soundness for Breeding report by 14 days after notification by the purchaser and

such Report shall conclusively determine whether or not the animal is capable of natural and effective service. The seller shall deliver to the buyer a copy of this second Report. The buyer shall at the expense of the seller do all acts, deeds and things necessary to enable the second test to be carried out. If the animal shall be deemed fertile the buyer shall on demand repay the seller the veterinary surgeon fees of the second test and Report.

17.6 If the ram is deemed incapable of natural and effective service during the Male Guarantee Period, the buyer may by 31st October of the year of the Sale return the animal to the seller and thereupon the seller shall repay to the buyer the whole of the purchase price and the cost of transport of the animal from the buyer's premises to the seller's premises and the veterinary surgeon testing fees incurred by the buyer.

17.7 The seller shall not be liable for any indirect or consequential loss howsoever sustained by a buyer.

17.8 As to clauses 17.4 and 17.5 and 17.6 time is of the essence.

17.9 The seller and the buyer may vary the provisions of clauses 17.4, 17.5, 17.6, 17.7 and/or

17.8 if but only if and insofar as the variation is set out in writing and signed by each of the parties.

17.10 The terms of any statutory enactment or custom or trade which are inconsistent with the

provisions of this Bye-law 17 are hereby excluded.

17.11 Failure to comply with any of Bye Law 17 will allow the Society, at its discretion, to cancel Society membership.

17.12 Society Bye Laws do not exempt a breeder from the Sale and Supply of Goods Act. Details of the authorised companies are available from the Society office on request.

GENERAL DISPUTES

- 2 Any arbitration under this Bye-law clause shall be subject to the Arbitration Acts for the time being in force.
