

## **Kelso 2010 Sale Report**

Kelso has long been one of the most commercially important sales in Great Britain and is a good indicator of how important your breed is in the commercial sector. Out of the 4,457 rams that were sold at the 2011 sale 1,221 (27.4%) of them was a Suffolk. This has increased by 0.9% since 2010. The largest Suffolk vendor was M Stewart who sold 129 Suffolk Shearling rams over two rings to gross £74,600 and average £578.29.

In Ring 10 280 Suffolk ram lambs were sold to a top price of £5,000. This was paid by G Killilea and J Rooney (RoI) for a ram lamb presented by I Barbour who also attained the top average on the day of £1,650 for 8 lambs sold. Second highest price of £2,600 was paid to R Gray's Langside flock that went on to average £755 for 13 sold.

Being last into the ring was no disadvantage for GL Stuart when he recorded the second highest average in the lamb ring of £1,150 selling to a high of £2,200. No fewer than three lambs were sold to N Ireland buyers.

Although Rings 14 and 16 are classified as Unregistered Suffolks this is a misconception. Thirty per cent of the sheep sold in Ring 14 was sold by Society members. There was 165 rams sold in both these rings by Suffolk Society members. The best of these was for a Shearling from J Elliot Roxburgh Mains which sold for £1450. The Kelso based operation sold 33 Shearling rams to average £982.
