# DISPERSAL SALE OF THE NORTHTYNE FLOCK FOR DON ROBERTSON

## Foreword

It is with deep regret and heartache that I have had to make the decision to disperse my beloved flock due to personal circumstances. My first Suffolk's were purchased in 1988 and then after encouragement from my dear friend and mentor, the late George Lamb, Hadrian Flock, I established the current flock and registered with the society in 1991. After much studying of current lines of the day sheep were purchased from my dear friend to be, the late Gordon J Wilson, Glenisla. His help and support was invaluable and his ability and stockmanship legendary. Original purchases were based on two very successful rams, Muireisk Macbeth and Muireisk Great Nephew, and I have tried where possible to continue with an influence of their genes right through the flock. A study of past sires will no doubt prove this to those who like myself have belief and confidence in bloodlines.

The flock has never been seriously shown although in earlier day's flock competitions were entered resulting in many placings including Champion & Reserve Flock Northumbria and best small flock at Northern Counties along with best stock ram and best ewe lambs at both on numerous occasions.

2001 was a horrendous year due to foot and mouth though I was lucky; most of my friends were culled then in November the devastating news of Gordon J Wilson's untimely death. His friend and mine Angus O Wilson, Glenhead, through excellent breeding technique, had established a very successful flock incorporating some of Gordon's best lines and it was here I saw the blood I needed both through semen and the purchase of stock rams culminating in my final acquisition, Glenhead Infusion, probably the most reliable and consistent breeder ever used in this flock or that of his joint owners Alan & Steven Lawson, Alsnow.

I have culled my ewes that I thought have problems, however slight, so prospective purchasers would not be buying 'A pig in a Poke'. The older ewes are in the sale for a reason please don't discount them on age. It was ewes like this from Glenisla that gave me the right start. Over the years the younger Ewes and Gimmers were Al'd and covered once so all lambs were January born for my benefit. A 60 year old 'one man band' can only manage a months lambing! The gimmer that didn't lamb (L46 - lot 33) came into season after the rams were taken out, often the case after artificial oesterus, she is sold with absolute confidence.

May I thank all my friends and purchasers for their support now and over the years with special mention to Alan Lawson without who I could not have got through this.

*Don Robertson*

## Auctioneers Foreword

I recommend the attendance at the Dispersal of the Northtyne Flock. The flock is a testimony to Dons attention to depth of Pedigree producing sheep of quality with outstanding skins, colours, carcase and full of character. The Glenhead Stock Ram has been an important part of the great jigsaw of breeding.

Don has been a tremendous advocate of the Suffolk breed promoting its virtues to all. You will not be disappointed with the stock on offer.

*Andrew Walton (Auctioneer)*

**REFERENCE TO SIRES****CAIRNESS IMPECCABLE 69360** by Fordafourie Lochnagar

Edinburgh Champion 1990 when purchased by Glenisla for top price of the year, 16,000gns. Joined the Northtyne flock for his third season as a foundation stock ram. His power and carcass had a huge influence with daughters being the mainstay of the flock during the 90's. He lived to 10 years old and passed this longevity to his progeny. Semen still stored.

**CAIRNESS IMPERIAL 73054** by Stockton Sir John  
Dam – 33H-D69 by Fordafourie Lochnagar

My first Edinburgh purchase from the best line at Cairness at the time. His paternal Grand Sire was out of a top Muireisk Great Nephew daughter at Glenisla – J53-C1. His super skin and tremendous backend complemented impeccable daughters well and their combination produced milky, easy lambing ewes. Semen still stored.

**CAIRNESS KICKSTART** by Cairness Court  
Dam – 33H-L30 by Stockton Sir John

A huge ram though very easy to lamb to. His dam would be one of the two best ewes I ever saw. Being ARR/ARQ, his use was limited at the time which was a travesty looking back. Semen still stored.

**GLENISLA SUMO** by Crosemanor Commandeur  
Dam – J53-L61 by Cairness Powerhouse

Another ram of great scale and fleshing purchased privately from Glenisla, he proved himself to be a very sound purchase breeding consistently of both sexes. A great settler of ewes.

**SOLWAYBANK INSIGNIA**

by Glenisla Grimaldi

Dam – FHT-U104 by Cairness Conundrum

Purchased privately with Alsnow from my good friends Messrs Barbour, who gave me the pick of the crop that year. His dam has been Ian's best breeding ewe in her day and came directly down from a full sister to Miuresk Great Nephew. His illustrious sire was a son of the other great ewe who along with 33H-L30 will stay in my mind for ever. Insignia never put a foot wrong and produced really milky, good skinned ewes with beautiful hair. His sons sold well to both pedigree and commercial flocks. Semen still stored.

**GLENHEAD IMPREZA 90912**

by Glenhead Glaramarra

Dam – DHD-X33 by Cairness Expression

A 5500gn Edinburgh purchase with Alsnow, sadly due to accident only one years use. His lambs were exceptionally vigorous at birth and had a super growth rate. A quality ram lost before his time.

**NORTHTYNE DRIFTER**

by Glenhead Impreza

Dam – FFH-C13 by Stockton Sahkee

Had much the same attributes as his sire and from a super old ewe still producing good lambs at 8 years old. Although he has played second fiddle to Infusion most of his working life he has done a really good job. Daughters are great nurses and sons have sold very well commercially as lambs and shearlings.

***OTHER PROMINENT SIRES USED VIA FROZEN SEMEN*****CROSEMANOR COMMANDEUR 82316**

Reserve Champion Edinburgh 1997 purchased by Glenisla for 26,000gns a tremendous breeder of both sexes.

**GLENHEAD PURELY THE BEST**

Used for his overall quality and pedigree, 20,000gns Edinburgh 1999. His daughters are proving a real asset being consistent breeders and excellent nurses.

**GLENHEAD GOLD**

26,000gns Edinburgh and used on Infusions first daughters with great success. He left good stock in every flock used. His first son born at Northtyne was earmarked as the flocks new stock ram, sadly not to be.

## AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's Terms and Conditions as recommended by the National Beef Association)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
